

Immune Booster Extra Strength

Boosts immune system function

Immune booster stimulates resistance to many acute illnesses and general immune responses. It helps stimulate white blood cells, T-cells and killer cells and increases and strengthens the body's powers of resistance. It can also be given when exposure to other birds is expected such as shows, boarding and visits to the vet.

Contains: Oregon grape root, echinacea purpurea root/leaf/stem/flower, black walnut hull, lemon peel, thyme leaf, and liquid trace minerals in a kosher certified vegetable glycerine/purified water base.
Not for long term use.

Arthritis Formula Pain Relief

Relief from pain due to arthritis or injury

For elderly and/or injured birds. This combination of medicinal herbs helps to relieve arthritis discomfort and reduces swelling and toxins which cause pain. Elderly birds, abused and rescue birds suffering from general pain and malaise can be helped by this formula.

Contains: Alfalfa leaf, Stinging Nettles leaf, Cornsilk, Devil's Claw root, Shavegrass stem (horsetail), Fenugreek seed, Yucca Root, and Black Walnut Hulls in a kosher certified vegetable glycerine/purified water base.
Can be used long term.

Candida/Yeast BeGone Immune/Infection Fighting

Suppresses Candida while boosting immune system

The Candida/Yeast BeGone uses Echinacea Angustiflora to help energize the immune system while eliminating yeast or candida infections with Pau D'arco bark, Usnea, Reishi, and Thyme. Great for handfeeding babies which develop Candida infections and to treat infected adults who routinely produce infected babies.

Contains: Pau D'Arco bark, Echinacea Angustiflora, Usnea lichen, Reishi mushroom, and Thyme leaf in a kosher certified vegetable glycerine/purified water base.
Not for long term use.

DOSING INSTRUCTIONS:

8 drops per 8 oz. of water 2x daily

8 drops per 8 oz. soft/fresh food 2x daily

1 drop by mouth (Budgie, Finch, Cockatiel) 2x daily

2 drops by mouth (Conures, Pionus, Greys, Amazons) 2x daily

Herbal Bird Rx

"Herbs for Healthy and Happy Birds"

The world's first alcohol free herbal extracts manufactured for the enhancement of your bird's health and well being. Where a state-of-the-art extraction process fulfills nature's healing bounty.

Bird Safe / 100% Alcohol Free / Avian specific

Great Tasting / 100% Vegan / Green Mfg.

Cruelty-free Testing / Organic and Sustainable

(where possible).

Manufactured in FDA approved facility

Made in USA

Herbal Bird Rx

“Herbs for Healthy and Happy Birds”

Welcome to the holistic world of nature captured in our exclusive line of Herbal Bird Rx herbal extracts.. Our products provide safe, bird specific, and alcohol free herbal extract alternatives to allow you to optimize your bird's health. And because they're so palatable they can be served directly into the mouth, mixed into food or added to drinking water. Completely alcohol-free, our proprietary process meets or exceeds the herbal potency of alcohol-based herbal extraction processes when tested by independent laboratories. Therefore, every drop of healing herbal essence is extracted for your bird's health and well being while at the same time is safe and 100% alcohol free.

System Detox

Environment and Chemicals

Clears environmental and chemical toxins from tissues and protects the liver.

Environmental toxins are a particular concern as birds' sensitive respiratory tracts are especially vulnerable to pesticides, fertilizers, smoke, unclean water that can affect their general health and immune systems. This formula works to purify the blood, protect and support organ function and protects the body from further damage while helping liver function for efficient removal of systemic waste and absorbed toxins.

Contains: Sasparilla root, European elder berry, chicory root, milk thistle seed, lemon peel, sweet goldenrod leaf/stem/flower, black walnut hull, burdock root, sage leaf, yellow dock root, yarrow flower, chaparral leaf, usnea lichen, goldenseal root, and liquid trace minerals in a kosher certified vegetable glycerine/purified water base. Can be used long term.

Echinacea Angustifolia Root

Immune/Respiratory System Booster

Respiratory infection inhibitor and analgesic

Echinacea Augustifolia provides analgesic properties which can be used to treat pain from external wounds, internal inflammation, and arthritis. It can enhance the immune system and can be used to treat respiratory infections.

Contains: Echinacea Angustifolia root in a kosher certified vegetable glycerine/purified water base.

Not for long term use

Chamomile Flower

Restful

Helps reduce anxiety and achieve restfulness

Chamomile flower has long been used in teas to achieve relaxation in birds. This formula is easier to administer and not only helps relax but can aid sleep, improve digestion, and stimulate the appetite. Chamomile contains the amino acid tryptophan which naturally reduces stress and anxiety.

Contains: Chamomile flower in a kosher certified vegetable glycerine/purified water base.

Can be used long term.

Relaxation/Calming Formula

Anti-Stress

Calming formula to reduce environmental and behavioral stress

This formula uses several well-known calming herbs which work together to reduce stress from the environment or deep seated behavioral issues such as screaming, biting and feather picking/barbering/plucking/mutilation.

Contains: Lavender flower, Passionflower leaf, Chamomile flower, Skullcap flower/leaf/stem, Hops flower, and Valerian root in a kosher certified vegetable glycerine/purified water base.

Can be used long term.

Echinacea Purpurea Root

Immune System Booster

Anti-Inflammatory and immune system stimulant

Echinacea Purpurea root is an important herb which aids in the production of white blood cells. It contains polysaccharides which motivate white blood cells to attack bacterial invaders. Thus, it contributes to the body's natural ability to fight infection and is commonly used to reduce inflammation caused by infections. Echinacea Purpurea also contains alkaloids which can inhibit tumor growth and help control pain.

Contains: Echinacea Purpurea root in a kosher certified vegetable glycerine/purified water base.

Not for long term use.

Milk Thistle/Dandelion

Liver Detox

Helps maintain and detoxify liver

Milk Thistle Seed and Dandelion root have long been used to help detoxify bird's livers resulting from fatty liver disease which can occur due to the high fat content of seed based diets and liver damage from exposure to aflatoxins (toxins from certain types of fungus).

Contains: Milk Thistle seed, Dandelion root in a kosher certified vegetable glycerine/purified water base.

Can be used long term.

Pau D'Arco Bark Extract

Yeast and Bacteria Suppressor

Helps reduce yeast and bacteria

Pau D'Arco bark has been used for centuries to reduce inflammation from bacterial and fungal infections. The bark of the tree is highly effective against such infections as candida albicans, finea infections, and some bacterial infections such as strep and staph.

Contains: Pau D'Arco bark in a kosher certified vegetable glycerine/purified water base.

Not to be used long term.
